

Tasks & Responsibilities:

- Participate in intake meetings with the client
- Draw up job descriptions and determine profile
- Determine recruitment strategies: how and where to find unique candidates?
- Research the client's business model and sector
- Identify and search candidates
- Personal interviews with candidates on management level
- Advise clients on candidates
- Draw up progress reports and interview reports
- Act as a liaison between candidate and client during the closing stage
- Follow up sessions with hired candidates

You are looking for:

- A challenging job where you can manage executive search assignments on management level from A to Z
- An advisory role in a high level professional services firm
